The traveling exhibit includes 45 billboard-sized works of art promoting diversity, each accompanied by an inspirational quote. A record 10,761 entries from 115 countries and 48 states were submitted for inclusion in the 14th annual exhibit. Thirty-three area students are among the 90 winners whose artwork and inspirational quotes were selected. Carly Stafford, a 12th-grade Booker High School student, won Best-in-Show Student award. The award for Best-in-Show inspirational quote was given to Jessica Ritchie, a sixth grader at Sarasota Middle School. The art will be showcased at the park until May 31.
